

J.H.J. MENGELERS MSc

CHAIRMAN TNO BOARD OF MANAGEMENT

Mr Mengelers was appointed Chairman of the TNO Board of Management with effect from 1 April 2008.

J.H.J. (Jan) Mengelers was born on 26 February 1953 in Brunssum. He studied mechanical engineering at the Eindhoven University of Technology.

His first contacts with TNO date from his student days when he was working during his graduation period at the former TNO Road Transport Institute from 1978 to 1979. Following his graduation, he began his career as a scientific researcher at ECN in Petten (1979-1982) and then at Philips Research (1982-1984). In 1984 Mr Mengelers joined Volvo Car / NedCar BV, holding various management positions before becoming Director of NedCar Product Design & Engineering in 1993. From 1997 until mid 2001 he was President of Neways Electronics International N.V.

In June 2001 he joined TNO as Director of the former TNO Industry, and also Director of the former TNO Automotive from September 2003. From 1 July 2004 until 1 April 2008 he was Managing Director of the TNO Science and Industry core area.

Mr Mengelers is married and has two sons.
